Agatha Christie's literary fame was cemented early in her career, but her passion for theatre was equally profound. Unlike her novels, which offered her a degree of control, the theatre demanded collaboration, negotiation, and resilience. Christie's initial interest in the theatre was purely as an observer and occasional playwright. Her early works, such as "The Unexpected Guest" (1958) and "The Mousetrap" (1952), exemplify her growing confidence in the theatrical medium.

- Commercial pressures:** Theatres demanded commercially viable productions. Balancing artistic integrity with audience appeal was often a delicate act.
- Adaptation and rewriting:** Her plays sometimes underwent multiple rewrites, which she approached with both patience and a critical eye. For example, "The Mousetrap" went through several iterations before its debut.
