Auditing: Annual audits by independent auditors. Marketing Restrictions: Strict rules governing cross-border marketing, requiring prior notification or authorization. The key points include: UCITS Funds: Can be marketed freely within the EU once authorized. AIFs: Require compliance with AIFMD, including notification procedures and possible disclosures. Third-country funds: Subject to specific rules for marketing outside the EU, often requiring local registration or authorization. Comparison with Other Jurisdictions Luxembourg's advantages over other jurisdictions include: Legal Flexibility: Multiple fund structures tailored to diverse needs. EU Passporting: Seamless cross-border distribution within the EU. Regulatory Clarity: Well-established legal framework with clear supervision.
