Wonderstruck is a unique narrative experience that intertwines two parallel stories set in different time periods—one in 1977 and the other in 1927. The novel follows two deaf children: Rose in the 1970s and Ben in the 1920s. Their stories are told simultaneously, using Selznick's signature combination of illustrated sequences and prose.

Rose's Journey: A young girl in 1977 New York City, Rose is on a quest to find her long-lost father. Her story is told primarily through illustrations, capturing her emotional journey and the sensory world she navigates as a deaf girl.

Ben's Journey: In 1927, Ben is a boy grappling with the loss of his mother and trying to uncover his family history. His narrative is conveyed through traditional text, complemented by Selznick's detailed black-and-white drawings.

The convergence of these stories culminates in a powerful revelation about identity, family, and the ways in which our past shapes our present.

Parallel Storytelling:

The dual narratives are distinguished by different illustration styles—Rose's story is primarily visual, with detailed, atmospheric drawings, while Ben's narrative uses more conventional text with supplementary sketches.

Page Design:

Selznick's meticulous attention to page layout enhances pacing and mood. For example, silent, expansive illustrations evoke moments of introspection or pivotal turning points.
